LPPDE Europe 2017 Paris
Lean Product Development in the Digital Age

Day 1: April 25, 2017			
8:00	Registration		
9:00	Welcome	Welcome by **Suzanne van Egmond** (conference chair LPPDE Europe 2017) and **Peter Palmér** (chair of LPPDE and conference co-chair)	
9:15	Keynote 1	**Philip Holt** (Head of Operational Excellence, Accounting Operations, Philips and Book Author): **Leading With Lean**	
10:15	Keynote 2	**Jean Claude Kihn** (President EMEA at Goodyear): Lean-Driven Innovation @ Goodyear	
11:15	Networking Break		
		How To Track	*The Story Of Track*
11:45	Parallel Session 1	**Jochen Müller** (John Deere): Complexity Management at John Deere	**Philipp J. Trunk & Kurt Hechenberger** (Lewa GmbH): Digitizing Lean – The beginning journey of a hidden champion on the way to digital connectivity
12:30	Networking Lunch		
14:00	Keynote 3	**Michael Ballé** (Author and Lean Executive Coach): **Lean Product Development in the Digital Age**	
15:00	Parallel Session 2	**Christophe Muratet** (Thales): Making Knowledge Flow, Knowledge Management as a Performance Strategy	**Stijn Claeys** (Barco): Barco's Value Engineering roll out: the Change Management journey
15:45	Networking Break		
16:15	Parallel Session 3	**Juan Manuel Jauregui Becker** (University of Twente): Computer Aided Synthesis: Next Generation CAD Systems Enabling Lean Design	**Christophe Riboulet** (Proditec): Application of Lean in a Digital Company.
17:00	Hands-on Session	**Katherine Radeka** (Rapid Learning Cycles Institute) An Introduction to the Rapid Learning Cycles Framework	**Arnoud Herremans** (Y47)**:** The Brain dynamics: Brain rules you need to know for a successful Lean development
18:30	End		
19:00	Networking buffet		

Day 2: April 26, 2017.			
9:00	Reflection	Day 2 Opening by **Suzanne van Egmond** (conference chair)	
9:15	Keynote 4	**David Lemereis** (Science Fact Watcher, Freelance Journalist), **The Future Is Now**	
10:15	Keynote 5	**Paul Takken** (Xebia) and **Jean Pierre Berchez** (HLSC GmbH) Bridging the Gap Between Agile and Lean PD	
11:15	Networking Break		
		How To Track	*The Story Of Track*
11:45	Parallel Session 4	**Wouter van Essen** (Sonion): How Rapid Learning Cycles Accelerate Knowledge Creation	**Sebastien Faucher** (Airbus): Agile and Lean Product Development at Airbus
12:30	Networking Lunch		
14:00	**Mini workshops**	**Maureen Balsters & Andreas Skuin** (Kaizen Institute):Truck Game: Set Based Engineering Simulation	**Norbert Majerus** (Goodyear) Change Management or what it needs to get started on lean PD and how to sustain it.
15:30	Networking Break		
15:50	Mini workshops Continued	Continued	Continued
17:00	End
